# WHY DO GUN OWNERS NEED LEGAL PROTECTION?

## BECAUSE BAD THINGS HAPPEN TO GOOD PEOPLE!

- ▶ If you use your gun, there will be an investigation, whether you pull the trigger or not.
- ▶ The legal system can be hostile, even if you did nothing wrong.
- ▶ Firearms Laws are complicated and change often. Have a go-to source.

As a gun owner, you've made a commitment to protect the ones you love. At Texas Law Shield, we are just as committed to helping protect our members—legal gun owners.

"After seeing what my friend went through after shooting someone in self defense, I knew I needed Texas Law Shield."

# WARNING GUN OWNERS

MISINFORMATION CAN LAND YOU IN JAIL!

## OPEN CARRY

A win for Texas gun rights! Open Carry became legal January 1, 2016 for all carry licensees. BUT, keep in mind it is legal for an officer to temporarily detain you to check that you are properly licensed.

## CAMPUS CARRY

Campus Carry becomes legal August 1, 2016 for LTC holders. BUT, this does not mean open carry; your firearm must remain concealed on a college campus. Also, campus carry at junior colleges will not go into effect until August 1, 2017.

## AIRPORTS

Good news for LTC holders! Forgot that your gun is in your carry-on luggage as you go through security? The TSA screener must give you notice of your firearm so you can remove it and properly store it. BUT, TSA can still impose civil penalties.

## KNIVES

Progress for more than just guns! Cities can no longer adopt knife ordinances that are more restrictive than Texas Law. HOWEVER, make sure you know what is a legal knife in Texas before you carry.

## 30.06 - 30.07 SIGNS

Violation of a 30.06 or 30.07 sign after January 1, 2016 is now only Class C Misdemeanor, punishable by a \$200 fine and does not revoke your License to Carry.
